

ExperimentaDesign Lisboa 2009 is looking for

## **exhibition tour guides**

from September 9 to November 29.

### **Main tasks:**

- Adapt the exhibition content and information to different audience groups according to age and learning level, creating alternative proposals to the standard guided tour or workshop models
- Welcome the tour groups, in coordination with the ticket office and cloakroom assistants
- Coordinate, with the exhibition assistants, the route and flow of exhibition visitors as well as the tour groups
- Stimulate debate, reflection and creativity among tour visitors, capitalising on the group's specific dynamics
- Answer questions and give additional information
- Manage the average duration of each guided tour

### **Candidate profile:**

- Preference given to candidates with specific educational background: Degree in Design or Architecture
- Experience in guided tours, education service or teaching projects (preferential factor)
- Good communication skills, especially in inter-personal interaction
- Focus on education
- Good knowledge of spoken English or other languages
- Responsible, reliable and punctual
- Versatile and good organisation skills
- Team player

### **Other valued knowledge:**

- Participation in Exhibitions, Conferences and cultural interests

There will be a mandatory unpaid training between late August and the first week of September.

Send applications to [visitas@experimentadesign.pt](mailto:visitas@experimentadesign.pt) until **June 30**.
